No later than thirty (30) days after a member (player, coach, assistant coach, team manager or board member) has been registered, the registering club shall maintain and submit to the state for registration verification that a player has been properly registered to the club and the appropriate registration fee must be paid. When registering players at any time, you must utilize a database program (SRI mandated - Youth Leagues USA) to submit the information to SRI. As a member of SRI, all members are required to submit 100% of their membership registrations to SRI at all times. (USYSA Bylaw 214.1(3))
