

SRI PROPOSED POLICIES & PROCEDURES AMENDMENT

PROPOSED BY: Soccer Rhode Island Database Committee

Date: January 11, 2010

PROPOSED AMENDMENT:

Policy: Team Roster Forms Rule #: 2403

Page: 21

CURRENT VERSION:

A properly completed team roster form must be printed from the Youth Leagues, USA database and shall contain the names, town of residence, dates of birth and SRI ID numbers of not less than seven (7), nor more than eighteen (18) players properly registered to the club submitting the roster form. The number of players on a roster must also conform to the rules of the league or tournament the team is participating in. It is the coaches' responsibility to review and abide by the rostering rules of each competition in which the team is participating.

PROPOSED REVISION:

A properly completed team roster form must be printed from the ~~Youth Leagues USA~~ GotSoccer database and shall contain the names, town of residence, dates of birth and SRI ID numbers of not less than seven (7), nor more than eighteen (18) players properly registered to the club submitting the roster form. The number of players on a roster must also conform to the rules of the league or tournament the team is participating in. It is the coaches' responsibility to review and abide by the rostering rules of each competition in which the team is participating.

RATIONALE:

This change is to reflect the change to a new Database Company in the SRI Policies & Procedures.

SRI RECOMMENDATION:

The SRI Board of Directors recommends this change (February 1, 2010)
